are proud to present

“Sounds of Nature”

by the Internationally Renowned Contemporary Artist,

Wang Chi 王綺

Two Allen Center
1200 Smith Street

September 8 - 26, 2003

A pioneer in the Chinese contemporary art movement and an inspiration to many young artists, Wang Chi is known for her sensual and innovative, abstract works on paper. Her art has been exhibited prominently throughout China, Europe and the United States and reveals the forms and elements of nature from an East - West perspective.

Please join us for a special **OPENING RECEPTION**
Tuesday, September 9, from 6:00 p.m. to 8:00 p.m.
at the prestigious gallery lobby of Two Allen Center, downtown.
