## ART HOUR!

Creative connoisseurs merged at the ARTcetera, an event highlighting emerging local artists. It was only the second occasion for the live making-of-art showcase, held at Mosaic on Hermann Park, which featured emcee Johnny Bravo and tunes by Arthur Yoria. Proceeds benefited The Leukemia & Lymphoma Society. ...

Meanwhile, at another visual arts event, "Art Saving History," at Colton & Farb Gallery, art aficionados perused works by nearly 40 artists. Auctioneers Carolyn Farb and gallerist Wade Wilson helped raise funds for the Fodice Foundation, a future home for artist residency programs, studios and more. —AB
